

GRCA Sweepstakes Guidelines

The mission of the GRCA Sweepstakes is to provide a competition where breeders and owners can showcase their puppies and veterans. It was established to encourage owner/handlers to show their own dogs and to share the results of their breeding program, the potential of their young dogs and the longevity and structural soundness of their veterans with other breeders and exhibitors.

The following guidelines are mandatory for Sweepstakes held at GRCA National and Regional Specialties and are strongly recommended for local member club specialties.

TIME: Sweepstakes should be held so as not to conflict with the judging of the regular classes. This can be done by scheduling Sweepstakes for early morning before the regular classes begin, or the previous evening if suitable arrangements can be made and adequate time is available.

JUDGE: It is recommended that, as a first consideration, the judge be a qualified breeder of retrievers with at least 10 years experience in their breed and have attended at least two obedience trials and two field events with water tests. If such a person is not available, a qualified breeder of sporting dogs or a person working toward AKC approval in the sporting breeds may be invited to judge. All sweepstakes judges must be given a copy of the sweepstakes rules prior to their assignment, preferably with their contract.

PREMIUM LIST INFORMATION: Detailed information for the premium list is included on the accompanying page in a form which needs only minor editing to be ready for submission to a superintendent or show secretary.

1. Clubs are given the option of offering ribbons or rosettes for individual class placements.
2. Add any trophies offered after the Ribbon/Rosette information.

ALTERNATIVES TO HOLDING SWEEPSTAKES: The holding of a Sweepstakes is optional to the host club. If the host club chooses not to offer a Sweepstakes, then it is recommended that, after the Winners Dog and Winners Bitch have been selected and before the Best of Breed Class begins, the winners of the Puppy Dog and Puppy Bitch classes (6-9 months and 9-12 months) be brought into the ring. From these four exhibits the awards of Best Puppy and Best of Opposite Sex to Best Puppy shall be made by the person scheduled to judge the Best of Breed class. The winners of the 12-18 Month classes are not eligible for this award as they are not puppies by AKC definition. Dark green rosettes shall be awarded to the Best Puppy and Best of Opposite Sex to Best Puppy. There shall be no prize money and the awarding of trophies is optional. The information and awards shall be included in the Premium List.

PREMIUM LIST INFORMATION:

ALL SWEEPSTAKES CLASSES INCLUDING VETERANS AND BEST IN SWEEPSTAKES

HANDLER: The handler of a Sweepstakes exhibit must be either the owner, co-owner, breeder or member of their immediate family as they are listed on file with the American Kennel Club as of the closing date for the show for which the Sweepstakes entry is being made. Immediate family is defined as husband, wife, mother, father, brother, sister, son, daughter or legal domestic partner. Step children and legal wards are also included in this definition. In-laws and grandchildren are not considered to be immediate family members. No other individual may take the entry into the ring during judging or check-in.

The following individuals are excluded from showing an exhibit in sweepstakes unless they are the sole owner registered with the AKC or co-own the entry with a member of their immediate family (as defined above) or a legal domestic partner:

- Any individual listed as an agent on any dog in any regular or non-regular class at this or any other show in the previous two years.
- Any individual with an Agent number including, but not limited to an AKC Registered Handler Number or Professional Handlers Association (PHA) number.

To avoid confusion or question, it is recommended that a photocopy of the registration certificate be included with the entry for a co-owned exhibit.

Disabled or physically challenged handlers are encouraged to show their own dogs and every effort will be made to

accommodate them. Some things which might be done to assist them are: making sure the ring gate opening is wide enough for a wheel chair; making sure the surface is as level and smooth as possible; placing slower handlers at the end of the line or having them gait their dogs together; allowing someone else to push an exhibitor's wheelchair, providing they do not handle the dog; making sure stewards and judges face a handler who is hearing impaired when speaking to them; permitting the use of crutches or canes.

Best in Sweepstakes Classes. It is required that the same person who showed the dog to a first place in a Sweepstakes class will also show the dog in the Best in Sweeps class. However, if that person should have more than one dog in the Best in Sweepstakes class, someone else is permitted to show the additional winner. That person should meet the handler definitions above. Only in cases where there is not another owner, co-owner, breeder, co-breeder or immediate family member available, should another person take the dog into the Best in Sweeps class. It is understood that there would be no financial benefit to that individual. Individuals who have an AKC Handler number, a PHA number or are listed as agent on any dog in the regular or non-regular classes may not show a sweepstakes entrant unless they are the sole owner registered with the AKC or co-own the entry with a member of their immediate family (as defined above) or a legal domestic partner.
