

JUDGE'S EDUCATION COMMITTEE (JEC)

Presenter/Tutor Program

I. Purpose

To provide knowledgeable and capable presenters and tutors to execute the JEC educational programs.

A. Presenters – to give JEC presentations at GRCA National and Regional specialties, Member Club specialties and meeting programs, and seminars/workshops by independent judge's organizations.

B. Tutors – for conformation judges, aspiring judges and CCA Evaluators.

Presenters and tutors act as representatives of the GRCA and are expected to conduct themselves ethically and responsibly in these roles.

II. Description

A. Number – There will be an indefinite number of presenters and tutors. It is strongly recommended that representation be as broad as possible in order to meet the need for GRCA education seminars across the country.

B. Resources and materials – Presenters and tutors need to be thoroughly familiar with the JEC resources and materials available to them, and may select from these the materials they wish to use to meet the needs of their audience.

C. Applications – Interested parties should submit an application to the BEC Chair who will review and forward to the Judge's Education Committee Chair and JE Committee for review and approval. It will be the responsibility of the JE Committee to verify that the presenters and tutors meet the minimum criteria for participation, are trained in the use of materials available through the JEC, receive regular assignments or continuing education opportunities to keep up their skills, and are evaluated in the presentation of their assigned projects. Presenters and tutors who repeatedly fail to meet the expectations set forth by the BEC are subject to removal from the program by a majority vote of the members of the JEC Committee. Effective 2020, all Judge's Education presenters and tutors should be approved GRCA CCA evaluators.

D. Judges' Education Presenter Levels – In order to maximize the number of individuals available for judges' education programs, and to ensure that the pool of qualified individuals expands over time, there will be two levels of Judges' Education Presenters as follows:

1. Level One Presenters – a GRCA member in good standing for 15 years, with advanced knowledge of the subject, is an approved CCA evaluator and meets the requirements listed for a Level One Presenter. Level One Presenters are required for any program dealing directly with the Breed Standard or any "parent club approved" judges' education presentation, regardless of the sponsoring organization.

2. Level Two Presenters – a GRCA member in good standing for 10 years, with significant knowledge of the subject, and who meets most of the requirements for a Level One Presenter. Level Two Presenters must work with a Level One Presenter until such time as they complete the requirements of a Level One Presenter. Level Two presenters are strongly encouraged to become approved CCA evaluators.
