

Mark your calendar!!
FRIDAY, OCTOBER 11;
½ hour after judging; in the Young bldg.

It's triple play Friday!!! The GRCA Breeder Ed, Golden Retriever Foundation and the Morris Animal Foundation are working together to bring you some education, some fun, and some great donations! Great ready to learn, eat and donate!

The Board of Directors of the Golden Retriever Foundation welcomes you to a wine/cheese reception in celebration of the canine heroes enrolled in the Golden Retriever Life Time Study over the past decade!!

Dr. Julia Labadie, the Principal Investigator and GRLS epidemiologist, will give a brief Power Point Presentation of the latest facts and figures; and how the samples have had an impact beyond expectations! Recently the GRF has approved new studies using samples; one will investigate "Identifying Risks Associated With Inbreeding in Golden Retrievers" another will use samples in: " Determining Neurodegenerative and Neuroinflammatory Biomarkers in Canine Meningoencephalitis of Unknown Origin".

Dr. Josh Stern will speak on "Identifying and reducing inherited disease in the golden retriever"

THE SILENT AUCTION IS BACK

Remember Steve Bolton and the cowbell???

We will have a number of items for silent auction: many from historical members of GRCA: Pagey Elliott, Betty Gay, Marcia Schlehr, Carole Kvamme-Johnson, Michael Faulkner, and June Smith.

The bidding will be anonymous, so you'll have to guess who is outbidding you!! Details to follow.
