### Submitting CCA Reports & Photos to the GRNews

Provide a digital image taken at high resolution. Group the CCA qualifiers together. Make sure each dog is visible. Long lines of people/dogs side by side result in a smaller photo in the magazine. If qualifiers are grouped in two rows with the front row kneeling down with their dogs, the photo will be larger. No individual dog/owner photos, please!

Label images A, B, C and provide names of dogs and last names of owners left to right for each photo/image. Any qualifying dogs not pictured will be listed after the pictured dogs are identified. Each photo/image should include the name of the hosting club and "CCA;" i.e., CCA\_atlantaGRC\_A.jpg

Please make sure that you include either an image of the evaluators by themselves, or that they are included and named in one of the group shots. Again, you can have them stand behind a kneeling group of people/dogs in order to have a "tighter" photo.

Results should be sent via e-mail in MSWord and use the template below and change the information to reflect your event:

Hosted by Club Name GRC  
Date - River City, OH  
# of participants, # of qualifiers  
Evaluators: TBD  
Secretary: TBD

For each photo caption list the dog's and owner's names (co-owners last names should have a slash between them with no spaces) as below in paragraph format. Only list AKC, GRCA or CKC titles.

Left to right (*for example*): Buff Of Golden Valley - Smith; Can CH Copper Of Malibu - Jenkins/Bradley; Evaluators: John Black, Sally Smith, Nancy Jones; Classy Lassy CD RN JH; Can CD - Cooper; Jumping Jack Flash MH - Flashman; Ducks In A Row - Evans; AFC Last Chance to Rumble\*\*\* - Long

Please remember we publish photos of qualifying dogs only.
