

GRCA Top Twenty Invitational Junior Showcase

GRCA Top Twenty Invitational Qualifying Juniors are those ranked in the Top 5 as determined by the Canine Chronicle rankings as of December 31 of the previous year. When there is a tie(s) within the rankings, the GRCA Top Twenty Invitational committee will include the next eligible Juniors(s).

Any Junior that qualified and received an invitation to the Top Twenty Invitational Junior Showcase and was unable to attend the prior years event can not carry over their invitation. A Junior may qualify multiple years and participate in each event which they qualify. If a Junior ages out after year end qualifying, they may still participate in the Junior Showcase.

To qualify for the GRCA Top Twenty Invitational Junior Showcase, the Junior must be in good standing with the AKC at the time the invitations are extended and at the time of the event. All dogs must be eligible at the time of the event to compete in AKC events

The GRCA Top Twenty Invitational Junior Showcase qualifiers will be sent a GRCA Top Twenty Invitational invitation to participate in this event. There is no entry fee, however, the entry form and other required information accompanying the Top Twenty Invitational invitation must be returned by the noted deadline on the entry form. Each GRCA Top Twenty Invitational Junior Showcase qualifier will receive a rosette as a keepsake.
